Breaking a record that was set in 1997 by Alexandria's Mac Campbell

Elba's Alvin Henderson becomes Alabama's all-time leading rusher in football

Elba High School senior running back Alvin Henderson became the Alabama High School Athletic Association's all-time leading rusher Friday night, Oct. 25, with 199 yards on 27 carries as the Elba Tigers (8-2) beat Florala (7-3) 40-24 in a key Class 1A, Region 2 game.

Henderson scored four TDs in the win – upping his season total to 2,625 yards on 207 carries and

46 touchdowns – which leads the nation this season according to MaxPreps. His career rushing total is now 9,935 yards and 178 rushing touchdowns.

Henderson could become the first 10,000-yard rusher in state history in the first round of the playoffs – which would put him in an elite group nationally as just the eighth high school running back to reach that milestone in his career.

Last Friday night's effort surpassed the previous record (9,839 yards) set by Alexandria's Mac Campbell in a career that spanned from 1993-1997.

Campbell was very supportive of Henderson's chase for his record that stood the test of time for 27 years. He even made the trip from his home in Huntsville Friday night to be on hand for Henderson's milestone achievement.

Campbell, who was a high school teammate on Alexandria's 1997 Class 4A state championship team of Florala head coach Kyle Davis, personally congratulated Henderson following the game during a special ceremony on the field.

AHSAA Executive Director Heath Harmon was also in attendance congratulating Henderson as the team and head coach Marc Sieving looked on during the post-game ceremony and celebration.

Elba clinched a No. 2 seed in the Class 1A state playoffs with the win and will be at home in the first

round of the AHSAA state football playoffs when they begin in two weeks.

Florala held Henderson in check until he finally broke loose on a 34-yard TD run late in the first period. He broke the record with a five-yard run on a third-and-4 play to notch an important first down as Elba clawed back from a two-touchdown deficit to post its eighth win of the season.

Henderson, who is committed to Auburn University, came into last Friday night's game at Elba on Senior Night needing just over 104 yards to break Campbell's AHSAA all-time career rushing record. Florala's defense did an outstanding job in slowing him down in the first half. The Tigers found their groove late in the first half and Henderson took control following his strong blocking up front in the second half.

Elba's star running back, who has committed to Auburn University, led the nation with 68 touchdowns scored last season and set

Elba's Alvin Henderson is congratulated by Mac Campbell last Friday night after Elba's football game where Henderson broke Campbell's individual rushing record in Alabama. Campbell had held the record since 1997.

the AHSAA single season rushing record with 3,523 yards on 225 carries – a 15.7 yards-per-carry average – and also set a state mark with 61 rushing touchdowns. This year he is averaging a career best 262.5 yards rushing per game. He has averaged 13.4 yards per carry over his high school

career with 744 carries. He has rushed for 178 touchdowns and has scored 188 touchdowns overall including pass receiving, punt and kickoff returns.

Henderson's tandem yards total, which includes kick returns, passing, and receiving yards, is 10,481 yards in 52 games.

AHSAA executive director Heath Harmon presented Elba's Alvin Henderson with an athletic award last Friday night as Henderson became the AHSAA's all-time leading rusher. As of last Friday, Henderson has 9,935 rushing yards in his high school career. That number is expected to grow as Elba enters the high school playoffs next week.

The Coffee County Commission honored two longtime commissioners Monday morning, Oct. 28, as each will end his tenure on the commission following next week's General Election. Commissioners Dean Smith and Tom Grimsley were the honorees. Special gifts were presented to each from their fellow commissioners as well as from State Senator Josh Camley and State Representative Rhett Marques. Additional information will be in next week's edition of The Elba Clipper. Above, the outgoing commissioners are pictured with those who participated in Monday's special presentations. Nominated by one of her students

Elba teacher Starla Amison receives Educator of Distinction award

Starla Amison, an educator at Elba High School as recently selected as a Claes Nobel Educator of Distinction by the National Society of High School

Scholars (NSHSS). A role model to pupils, Amison was nominated by Elba senior Ivony Myrick for outstanding dedication and commitment to excellence in the profession.

Each year student members of NSHSS are invited to nominate the educator who has made the most significant contribution to their academic career for the Claes Nobel Educator of Distinction award. This honor recognizes exemplary educators whose passion and devotion inspire to grow and develop as scholars, leaders and citizens.

"I nominated Nurse Starla because she was the first person that came to my mind that I thought fit the description for the award," Myrick said. "I had to write a whole paragraph, and I put my whole heart into it. I am glad she won."

She said when she first joined Nurse Starla's class, she said she had no desire to go into nursing, but the way

taught made made her want to actually go into nursing as a career.

"She is very inspirational in her teaching," Myrick said.

"Dedicated educators who exhibit a commitment to excellence deserve our highest praise and appreciation," said NSHSS President James W. Lewis. "Through our Educators of Distinction program and the

grants we provide to support professional development and enrich classroom instruction, we hope to acknowledge and encourage the vital work of the teachers, counselors and administrators who are shaping the intellect and character of our young scholars."

Amison said it was an honor to be nominated by one of her students and receive this distinction.

Coping with the Unspoken Grief: The Loss of a Pregnancy or Infant

These days, it is common for people to opt for cremation following death. After a loved one is cremated, family members may wonder what they should do with their loved one's ashes. Some families may opt to scatter the ashes or keep them in a single urn in a specific location such as a cemetery niche. However, it is also possible to distribute the ashes among different people and places.

Keepsake urns or jewelry are a popular option for many families. Keepsake urns are smaller urns that hold a portion of the deceased's ashes. This idea is that the ashes can be divided up among family members who live in different places. Another option is to place some ashes in a piece of keepsake jewelry such as a pendant.

You can even distribute some of the ashes among different family members and then keep the remainder of the ashes in a cemetery. This way, everyone is able to keep their loved one close, but it also allows families to have a specific place to visit to remember and honor their loved one.

In some cases, people may wonder if it is acceptable to distribute ashes this way. With the exception of a view few religious sects, this distribution of ashes is just fine. Some religions have definite views against cremation. Generally speaking, if a religion allows for cremation it is also acceptable to store them in a single container, distribute them or scatter them.

The law as well doesn't have much to say on the topic. Unless there is a large family dispute over how the ashes should be stored or dispersed that must be settled in court, which is pretty rare, the law allows for families to do as they choose.

The most important thing to consider in these circumstances is the wishes of the deceased. Whenever possible, try to follow the wishes of your loved one. And if possible, let your own family know your wishes so that they can feel comfortable making the decision when the time comes.

Our youngest grandson Cannon got bit by a spider last week and within minutes his arm was red and his Mom was on her way to the doctor's office. While the bite caused swelling and some red skin, the doc gave him medicine that took away the itching and cooled down the rash that caused so much concern. Another lesson learned about boys and bites.

For what it is worth....

*** **During a halftime interview** with a local television station, Florala's head coach stated that while his team played well in the first half and carried a six-point lead in at halftime, he warned Elba would 'keep on pounding the ball' in the second half, and his prediction came true as the Elba Tigers rolled up 169 yards rushing and scored 4 touchdowns in the final two quarters, while the Wildcats managed only 39 total yards of offense in the second half and scored only once. At least the Florala coach knew what hit him!

Elba failed to make a single first down on its first two possessions and by the time the Tigers did finally move the chains on a 19-yard run by Cayden Adkins with a minute left in the first quarter they already trailed 12-0 in a key region game that would determine homefield advantage in the playoffs. The Tigers scored twice to pull even, but went in at the half down 18-12 and knew that Florala would get the first possession of the second half. Whatever the Elba coaches preached at the half worked, because the final two quarters were dominated by the Tigers as they rallied for a big 16-point win and closed the regular season riding a seven-game winning streak after their 1-2 start.

The Elba offense scored on only two of its five first half possessions and after eight plays had a total offensive output of only four yards, but came to life in the second half and scored on four of its first five possessions to take command and pull away. The senior duo of Alvin Henderson and Cayden Adkins combined for 293 yards and five touchdowns rushing to lead Tigers to the win, and Adkins also threw a 15-yard td pass as the duo had a hand in all six scores. While Elba did struggle at times, it took charge when the game was on the line and showed just why it scored at least forty points in nine of its ten games. When the Elba offense gets rolling it is fun to watch, and in the second half all Elba Tiger fans had fun!

Over on defense, everyone was more than a little worried when Florala passed for 162 yards in the first quarter and raced out to a quick two-touchdown lead. However, the defense dodged a bullet early in the third quarter when an apparent Florala touchdown was nullified by a penalty flag, and after that the defense took charge as it limited the high-powered Florala offense to negative six yards on its last four possessions to help spark the comeback win. The defense is still giving up big plays at times, but showed once again Friday night how much it has improved since early in the season, and hopefully will continue to improve and be a force to reckon with in the post-season.

Back seven weeks ago the Elba Tigers had a 1-2 record and many local fans had already written them off as a non-factor in the region race. However, they forgot that the men that wear the black and gold always play to win, and they did just that with seven straight wins to enter the playoffs as a number two seed. The Tigers may have lost a few teeth early in the season, but have grown them back and I have a feeling the post-season may be filled with excitement for all the fans that wear black and gold!

*** **Tiger Stadium was filled** with television cameras and special guests Friday night to witness Alvin Henderson's attempt to become the all-time rushing leader in the rich history of Alabama high school football, and while the game's outcome was in doubt for much of the game, there was little doubt the talented Tiger running back would get the record, which he did with a 5-yard run on his fourth carry of the third quarter. By the time the game ended, Henderson's career stats showed his rushing totals had

reached 9,935 yards, which broke the old record, which had stood for 27 years, by over 95 yards. There was added pressure on Henderson throughout the week as every newspaper and sports show in the state made his chase for the title their lead story, and with the senior Auburn commit needing 103 yards to break the record, there had to be some doubt for many players and coaches. Henderson did get off to slow start and had rushed for only one yard after his first four carries, but once he got going everyone on both sides of the field knew what was coming and the record is now his. An amazing stat to me is the fact that in the last two seasons, Henderson has now rushed for 6,148 yards and 107 touchdowns. That is simply unbelievable!!

*** **While it was only a so-so week for area teams**, it was an interesting week for all four teams. * Zion Chapel picked up its sixth win of the season with an easy 42-6 win over Barbour County, and the Rebels have a chance to add win number seven this week against lowly Pleasant Home, which would be the most wins in a season since back in 2011. * Brantley improved its record to 5-4 with a high-scoring 54-28 win over Kinston, and while the Bulldogs are going to miss the playoffs for the first time in 28 years, they can make it a special going away present for Coach Roland Jones, since a win in their final game against Arton would be the 150th of his career. * New Brockton closed the season with a 4-6 record with a 42-7 region loss to Pike County, and the four-win season marked the second time in five years the Gamecocks posted four wins in a season, which haven't enjoyed a winning season since back in 2018. * Kinston closed the regular season with a 54-28 loss to Brantley, and while the Bulldogs ended the season with a 3-7 record, the Bulldogs have now won a total of 17 games over the last four years, including 11 wins in region play.

*** **The high school football regular season** still has one week left on its schedule and with the season rapidly drawing to a close for many teams there are still 23 teams boasting perfect records. In Class 1A, (8-0) Wadley dumped Winterboro 52-12, (9-0) Hackleburg hammered Cherokee 57-0 and (9-0) Spring Garden had the week off, while in Class 2A, (9-0) Pisgah pounded North Sand Mountain 54-7, (10-0) Highland Home humbled Calhoun 54-8, (10-0) Cottonwood clobbered G.W. Long 38-7 and (9-0) Winston County whipped Heritage Christian 14-7; In Class 3A, (9-0) T.R. Miller tamed Bayside 43-0, (9-0) Mars Hill mauled Clements 62-6, (9-0) Piedmont popped Walter Wellborn 54-20, (9-0) Thomasville thumped Greensboro 62-0 and (8-0) Glenwood enjoyed the week off; In Class 4A, (9-0) West Morgan manhandled Wilson 55-7 and (9-0) Good Hope gashed Dora 47-28; In Class 5A, (9-0) Montgomery Catholic clubbed Andalusia 38-0, (10-0) Central Clay County crushed Pell City 41-17, (9-0) Vigor vanquished B. C. Rain 40-0 and (8-0) Fairview flattened East Limestone 42-0; In Class 6A, (9-0) Saraland smashed Theodore 42-0, (9-0) Oxford ousted Huffman 49-0 and (9-0) Spain Park spanked Chilton County 37-6; In Class 7A, (9-0) Auburn axed Dothan 42-7 and (9-0) Austin ambushed Grissom 52-21.

On the flip side, there are a total of 25 teams in the state that have yet to post a win this season, and time is running out quickly. In Class 1A, J.F. Shields (0-8), Francis Marion (0-9), Ellwood Christian (0-10) and Ider (0-9) are at the bottom looking up, and at the very bottom has to be Ellwood Christian, which was outscored this season 458-20, and over the last 49 games has a 1-48 record; In Class 2A, Pike Liberal Arts (0-10, due to forfeits) and Tharpton (0-9) are at the bottom of the list, with Tharpton at rock bottom, having been outscored 481-46, and having only one winning season in its 19-year history; In Class 3A, Monroe County (0-9), Northside Methodist (0-9), Sumter Central (0-10) and Asbury (0-10) are in the cellar, with Asbury deepest in the hole, having been outscored 482-39 and posting only seven wins in the last nine years; In Class 4A, Geneva (0-9), Tarrant (0-9), Curry (0-10) and Wilson (0-9) bring up the rear, with Curry in the far rear, being outscored 417-53 and posting just three wins in the last six years; In Class 5A, Elberta (0-9), Marbury (0-9) and Lincoln (0-9) are at the bottom, with Lincoln at the very bottom, being outscored 442-62 only three years

after posting a 6-5 record; In Class 6A, Murphy (0-9), Park Crossing (0-8), Brookwood (0-10), Columbia (0-9) and Lee of Huntsville all sharing the bottom rung, with Columbia still on the ground after being outscored 497-60 and having lost 90 straight games; In Class 7A, Smiths Station (0-10), Tuscaloosa County (0-8) and Albertville (0-9) are all looking up, with Smiths Station getting a sore neck looking up after being outscored 418-63 and struggling to a 2-28 record the last three years.

*** **The college football world** was in a little better alignment last weekend and both Alabama and Auburn posted conference wins over quality opponents, while Troy lost a heartbreaker on the road as its season continued in a victory drought. * Alabama overcame a slow start to post a big 34-0 win over Missouri. The Crimson Tide offense sputtered for most of the first half and owned a 6-0 lead until late in the half, but woke up and managed to roll up 486 yards in total offense while limiting Missouri to only 72 yards passing as the defense pitched a shutout. * Auburn's play caller finally remembered that Jacquez Hunter was one of the nation's best runners and let him do his thing as the Tiger standout rushed for 278 yards and two scores in their 24-10 win over Kentucky, that should make the Auburn fans feel a little better after a slow start that included way too many losses at home. * Troy rallied from a 23-3 halftime deficit to grab a 31-26 lead with only 1:45 left in the game, but forgot to seal the deal and watched as Arkansas State scored with 33-seconds left on the clock to hand the Trojans a 34-31 road loss. The loss left the Trojans with a 1-7 record, and with only four games left, their fans are just looking for a win over anybody.

*** **Ye Ole Polish Prognosticator** emailed his picks again this week, but did attach a brief note that he hit on 31 of 35 picks last week and seems to be hitting his prime at just the right time. There aren't that many games left to play in the high school ranks, but the local guesspert did send in another fearless forecast, and here we go....

BRANTLEY VS. ARITON

The Bulldogs from up above the creek will be looking to send Coach Roland Jones out a winner in the final game of the season, but will have their hands full against a litter of kitties from across the county line that are a late-season roll. My guess is you will be able to hear the 'dogs barking until late in the night.

BRANTLEY 35 ARITON 34

ZION CHAPEL VS. PLEASANT HOME

The troops from up at Fort Jack will tune up for the playoffs by going on a trip to bag some birds that like to roost deep in the woods of Covington County. Look for the feathers to be flying and the troops to bag their limit.

Elba's Adkins chosen for North-South All-Star game

Five Wiregrass standouts, including Elba Tiger standout Cayden Adkins, have been chosen to participate in the annual AHSAA North-South All-Star Game in December.

The AHSAA released the 37-player rosters for both the North and the South for the Dec. 13 game at the University of South Alabama's Hancock Whitney Stadium in Mobile last week, and all of the players taking part in the game are current seniors.

The five local standouts include Dothan's Jaden Barnes and Louis Snell. Barnes, a 6-foot, 185-pounder, has committed to the University of North Alabama. Snell,

a 6-foot-4, 320-pounder, is getting interest from several colleges but has not committed yet.

Also selected to the all-star game from the area are Enterprise defensive back Andrew Purcell, Elba linebacker Cayden Adkins and Charles Henderson tight end Noah Greene.

The 5-foot-11, 185-pound Purcell has committed to Kentucky, while Adkins, a 6-foot-2, 235-pounder, has committed to Georgia State. Greene, a 6-foot-1, 220

tight end, has committed to the University of North Alabama. All five local players are on the South team. The South's head coach is Sam Adams of Oxford.

Elba Tiger Cayden Adkins was chosen last week by the AHSAA to participate in the annual North-South high school football All-Star game.

The Elba Tigers were led on the field last Friday night by junior Cassiday Carpenter and special guest Alex Boutwell. According to Boutwell's family, he had the "time of his life" being able to take the field with the Tigers. Elba Tigers run past Florala with 40-24 win to close out regular season play

By, Ricky Mularz, Sports Editor
Photos by, BC Sports Photography

The Elba Tigers survived an early Florala air attack and then outscored the Wildcats 21-0 in the final sixteen minutes of the contest to claim an exciting 40-24 region win, to lock up homefield advantage in the playoffs and extend their winning streak to seven games.

Elba failed to move the chains on its first two offensive series. However, Florala had no such problems on offense as the Wildcats scored on their first two possessions to grab a surprising 12-0 first quarter lead.

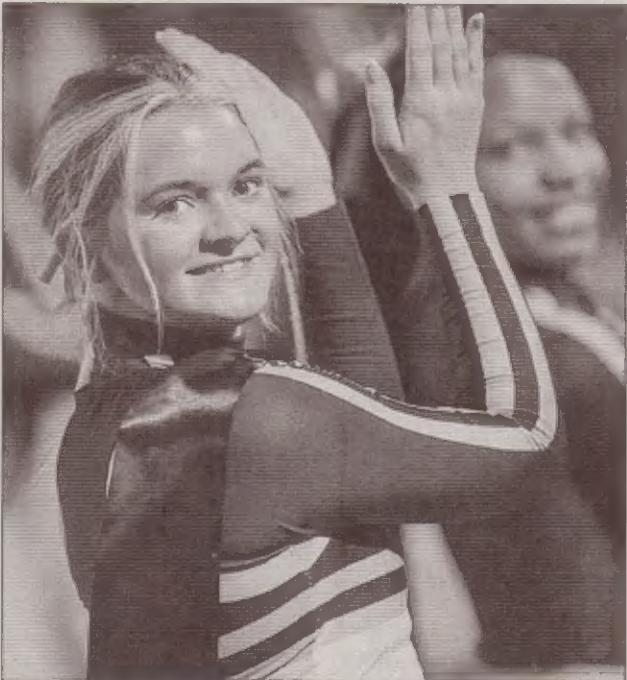

The first score came on an eight-play, 84-yard drive in which Gage Davis completed four of five passes for 85 yards, including a 30-yard touchdown toss to Noah Bryan, while the second Florala score came when the Wildcats went 77 yards in four plays, with Davis connecting with Elijah McMeans on a 46-yard touchdown pass. Florala failed to convert two-point conversions after both scores, but with 2:12 left in the opening quarter the Wildcats owned a 12-0 lead.

The Elba offense came to life following the second Florala score and went 56 yards in four running plays to cut the deficit in half. Cayden Adkins had a 19-yard run to pump life into the Tigers, while Alvin Henderson rushed for 37 yards on three carries and scored on a 34-yard run to put the Tigers in the endzone. The extra-point try failed, but with 8-seconds left in the quarter Elba had pulled to within 12-6.

Elba regained possession at the Florala 42-yardline after a defensive stop on fourth down and covered the distance in five plays to pull even. Henderson rushed for 22 yards on three carries to help lead the Tigers into the endzone, while the score came on a 15-yard touchdown toss from Cayden Adkins to Trai Davis. The extra-point attempt again failed; however, and with 7:09 left in the second quarter the score was tied at 12-12.

It took Florala only one play to regain the lead after the Elba rally, as on the Wildcats next play from scrimmage Rayshon Coleman took a handoff, turned the corner and raced 50 yards down the sidelines for a Wildcat touchdown. A two-point pass missed its target, but with 6:50 left in the quarter Florala was back on top 18-12.

Elba reached a first down at the Florala 28-yardline on its final possession of the half, but a penalty and a loss on a quarterback sack helped kill the potential scoring

Elba senior cheerleaders Alyssa McFarland and all the Tigers cheerleaders had plenty to cheer about in last week's win at home over Florala.

march, and at the half the Tigers went into the locker room trailing 18-12.

Florala saw its fortunes take a turn early in the third quarter when after an apparent 61-yard touchdown pass was waved off by a penalty flag, two plays later Elba's Jerod Anderson picked off a pass tipped by teammate Brady Johnson and returned the interception 43 yards to set the Tigers up at the Florala 17-yardline.

After a penalty moved the ball to the seven, Alvin Henderson took a direct snap and rammed into the endzone for his second score of the night. Trai Davis kicked the extra-point and with 8:56 left in the third quarter Elba had taken its first lead of the

game at 19-18.

Florala got a break on its ensuing possession when it was handed a first down at midfield after a roughing the kicker penalty on a Wildcat punt, and the 'Cats cashed in the break as they went 50 yards in four plays to retake the lead. The score came on a 24-yard pass from Gage Davis to Noah Bryan, and while a two-point pass failed to add points, the Wildcats were back on top 24-19 with 4:18 remaining in the quarter.

Elba began its next series near midfield and promptly marched 55 yards in six running plays to go back on top. Alvin Henderson rushed for 19 yards on four carries to help lead the Tigers down

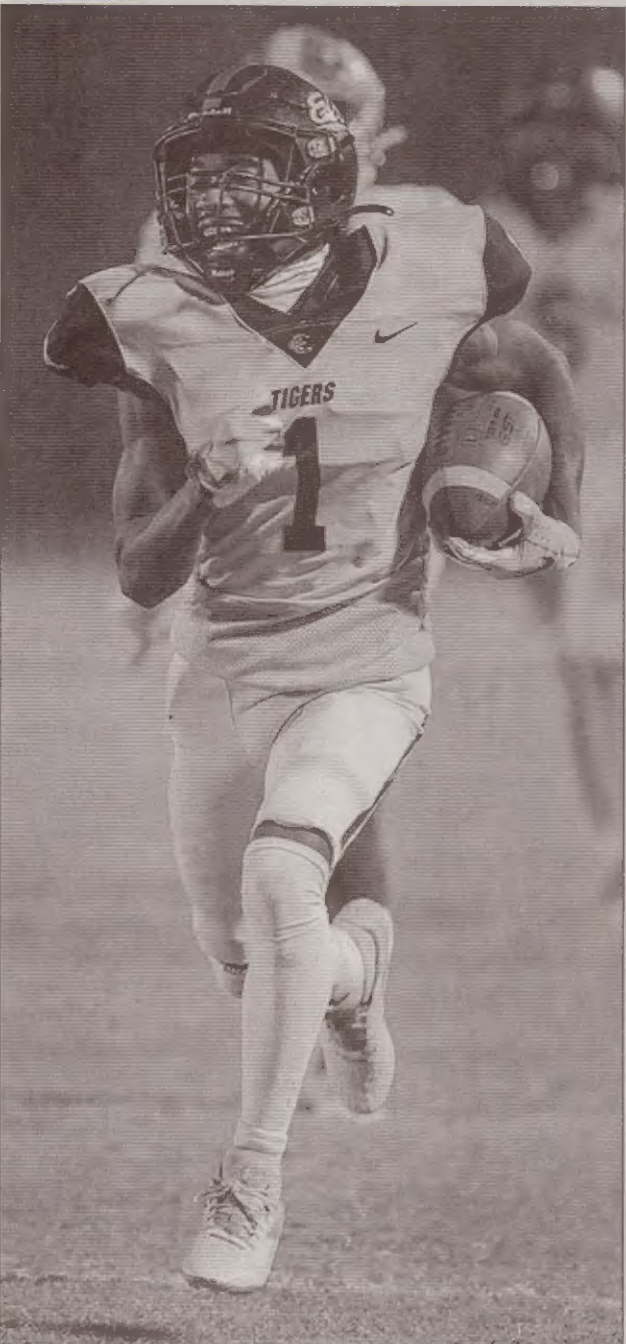

the field, while Cayden Adkins added 36 yards on two carries and scored the touchdown when he spotted a hole at the line of scrimmage and raced 28 yards into the endzone. Henderson ran in a two-point conversion, as the Tigers grabbed a 27-24 lead with 1:36 still left in the third quarter.

Elba saw an apparent 58-yard punt return for a touchdown by Alvin Henderson waved off by a penalty flag on the first play of the fourth quarter, and while the Tigers failed to overcome the flag, it did regain possession at the Florala 18-yardline on an interception by Tyceson Davis, and cashed in the turnover on a 5-yard run by Alvin Henderson. Davis added the extra-point, and with 7:30 left on the clock Elba's lead had grown to 34-24.

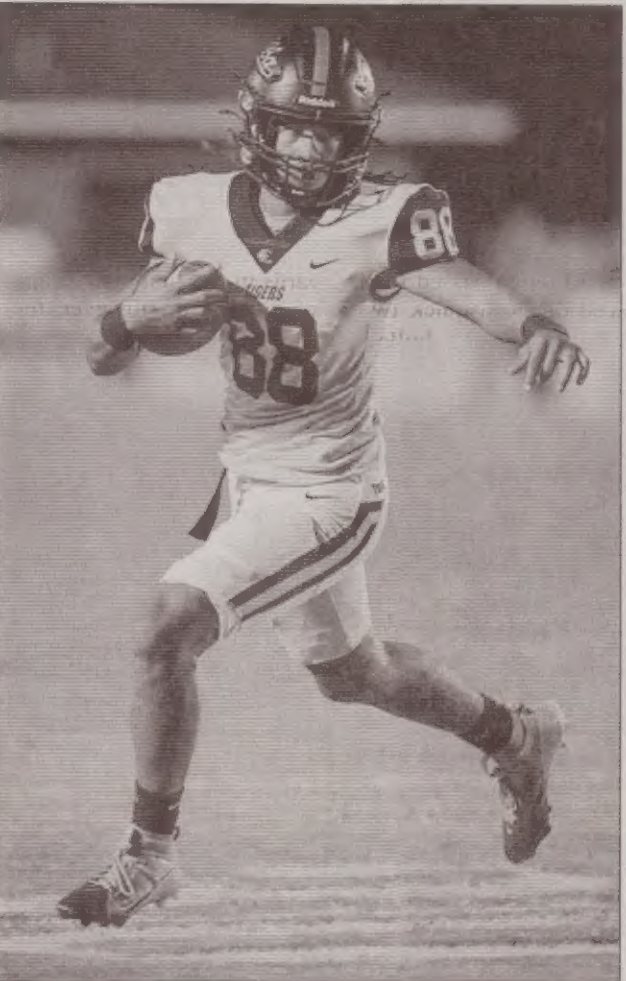

The Tigers got the ball back at their own 34-yardline with 5:46 remaining and needed only four plays to cover the 66 yards into the endzone to finally take command. Alvin Henderson scored his fourth touchdown of the game on a 42-yard dash down the sidelines, and while the extra-point try failed, Elba's lead stood at 40-24 with 3:30 remaining on the clock and the Tigers held on to post the win and the number two spot in the region standings.

Alvin Henderson rushed for 207 yards and 4 touchdowns on 26 carries to lead Elba on the ground, while Cayden Adkins rushed for 86 yards and one td and also completed a 15-yard touchdown pass to Trai Davis.

Gage Davis completed 15 of 23 passes, with two interceptions, for 243 yards and three td's to lead Florala, while Rayshon Coleman rushed for 76 yards and one td and caught three passes for 16 yards, Elijah McMeans had four catches for 120 yards and one td, and Noah Bryan had six catches for 94 yards and two td's.

Elba's Jerod Anderson (1) picked off a pass tipped by teammate Brady Johnson and returned the interception 43 yards to set the Tigers up at the Florala 17-yardline during last week's big region win.

An interception by Elba's Tyceson Davis (88) at the Florala 18-yardline set the Tigers up for another score in last week's region win over Florala. The Elba defense had a big second half to help the Tigers secure the win.

Brantley Bulldogs toss six touchdown passes in big 54-28 win over Kinston

Statistics by, W.J. Adcock
File photos

Brantley Bulldog Cooper Layton (7) caught two passes for 51 yards and one touchdown in last week's 54-28 region win over Kinston.

The Brantley Bulldogs spotted the Kinston Bulldogs an early and then came roaring back to score the game's next 33 points in a wild 54-28 region win.

Kinston received the game's opening kickoff and marched 80 yards in 12 plays to get on the scoreboard. Gabriel Hataway rushed for 43 yards on six carries to lead the Bulldogs down the field, while Colby Tew added 21 yards on five carries and scored the touchdown on a 1-yard run. Hataway ran in the two-point conversion and with 5:03 left in the first quarter Kinston was on top 8-0.

Brantley needed only one minute to catch Kinston as Jayden Parks completed 3 of 3 passes for 29 yards to spark a scoring drive that was capped by a Parks pass to Hank Johnson. Parks ran in the two-point conversion, and with 3:56 left in the quarter the score was tied at 8-8.

Kinston threatened again on its next possession and reached a first down at the Brantley 12-yardline after a 65-yard pass from Jon Simmons to Brant McCollough. However, Kinston failed to cash in the scoring opportunity and then watched as

Brantley scored the next two touchdowns of the half to carry a 20-8 lead in at intermission.

The Brantley scores came with 9:26 left in the second quarter on a 51-yard pass from Parks to Daylan Davis and with 1:14 left in the half on an 86-yard touchdown toss from Parks to Tyler Carter as the hometown 'Dogs began to take command.

Brantley's Andre Wright returned the second half kickoff 94 yards for a touchdown to push its lead to 26-9, and after a Kinston punt stretched its lead to 33-8 with 9:18 left in the third quarter when Andre Wright broke loose on a 30-yard scoring scamper, and Michael Thompson added the extra-point.

Kinston's defense came up with a stop on a fourth down sack by Gabriel Hataway midway through the quarter and this time Kinston was able to get back into the endzone as the orange and blue Bulldogs went 60 yards in six plays to reach paydirt. A 12-yard pass from Simmons to Green was a key play in the scoring drive, while Colby Tew rushed for 31 yards on four carries and scored the touchdown on an 18-yard dash as Kinston pulled within 33-14 with 4:06 still left in the quarter.

Brantley began its next

possession at the Kinston 22-yardline after a 33-yard kickoff return by Jayden Parks, and two plays later Brantley was back in the endzone when Parks connected with Davis from 14 yards out. Thompson added the extra-point, as Brantley's lead grew to 40-14 with 2:23 remaining in the quarter.

Kinston again responded to the Brantley score with a touchdown of its own as it went 77 yards in eight plays to reach the endzone. Colby Tew rushed for 43 yards on five carries during the long scoring march, while Gabriel Hataway got the td on a 5-yard run as Kinston cut the Brantley lead to 40-20 with 11:15 left in the fourth quarter.

Brantley's Jayden Parks tossed a 35-yard touchdown pass to Cooper Layton and Thompson again added the extra-point as Brantley moved ahead 47-20. However, Kinston refused to throw in the towel and after a pass interception by Hataway near midfield went 48 yards in five plays to score its final points of the night.

The Kinston score came on a 26-yard scamper by Jon Simmons, and Simmons passed to Whitt Floyd for the two-point conversion as Kinston pulled within 47-28 with 4:15 left on the clock.

Brantley added a late touchdown on a 32-yard touchdown toss from Kevin Freeman to Carson Rutledge, and Thompson added the extra-point to seal the deal on Brantley's 54-28 region win.

Colby Tew rushed for 193 yards and two touchdowns to lead the Kinston ground attack, while Gabriel Hataway added 103 yards and one touchdown rushing. Jon Simmons scored on a 26-yard run and completed 7 of 13 passes for 136 yards, with Judd Green pulling in three passes for 34 yards and Brant McCollough having two catches for 95 yards.

The New Brockton Gamecocks saw their season come to end Friday night with a disappointing 42-7 homefield loss to the Pike County Bulldogs.

Pike County cashed in an early Gamecock turnover to grab a 7-0 lead on a 1-yard run by Braylin Jackson and the extra-point by Arturo Perez-Hernandez, but New Brockton bounced right back and answered the Bulldog score when Baylon Foster scored on a 16-yard run and the extra-point by Cayden Avalos split the up-rights to pull the Gamecocks even at 7-7 with 5:23 remaining in the first quarter.

The excitement on the Gamecock sidelines didn't last for long; however, as Pike County's Khalil Foster fielded the ensuing kickoff at the Bulldogs' 15-yardline and sprinted 85 yards for a score, and Perez-Hernandez again added the extra-point as Pike County went back on top 14-7.

New Brockton fumbled the ensuing kickoff to set Pike County up with a short field and the Bulldogs again cashed in the turnover, this time on a 34-yard pass from Azhoree Eutsey to Artrayvian Davenport. The extra-point was again true and with 2:48 still left in the opening quarter Pike County's lead had grown to 21-7.

Pike County recovered another Gamecock fumble in the second quarter and upped its lead to 28-7 on a 50-yard touchdown toss from Eutsey to Jackson,

and the Perez-Hernandez extra-point, while New Brockton watched a scoring opportunity go by the board on its ensuing possession when a Gamecock pass was picked off in the endzone, and the Bulldogs once again made New Brockton pay for the turnover when Jamaris Campbell scored on a 14-yard run to put Pike County on top 35-7 at the half.

Pike County's Eutsey added a touchdown on a 4-yard run with 7:41 remaining in the fourth quarter and the extra-point was again true to push the Bulldogs lead to 42-7, and that was how it ended as the Gamecocks closed the season with a 4-6 record.

Anthony Silar rushed for 91 yards on 24 carries and Baylon Foster added 34 yards and one touchdown on three carries to lead the Gamecocks, while Wesley Creel completed 8 of 15 passes for 67 yards, Silar completed 2 of 3 passes for 15 yards, and Foster completed his only pass attempt for 21 yards. Foster pulled in 7 passes for 69 yards, Silar had three catches for 27 yards and Josiah Lewis had 1 catch for seven yards.

The New Brockton defense was led by Bryant Crumpler with 7 tackles, while Jared Pettitt added 4 stops, including two tackles for a loss; Anthony Silar had 3 stops and two pass break-ups; Baylon Foster had 3 stops and one pass break-up; Gavin Hand had 3 stops and one pass break-up; Bradyn Crumpler had 3 stops and a pass deflection; and, Kylan Radcliffe had 1 stop and a pass interception.

New Brockton Gamecock Anthony Silar (1) rushed for 91 yards on 24 carries in last week's 42-7 region loss to Pike County.

Elba's Henderson to lead Alabama Stars in annual clash against Mississippi

Elba High School senior running back **Alvin Henderson**, who last week became the AHSAA's all-time leading rusher, headlines a start-studded Alabama

Alvin Henderson

All-Star Football team roster announced last week by AHSADCA Director **James Lawrence**. The 41-player team was selected by the AHSADCA Selection Committee from nominations submitted from member school coaches in the AHSAA.

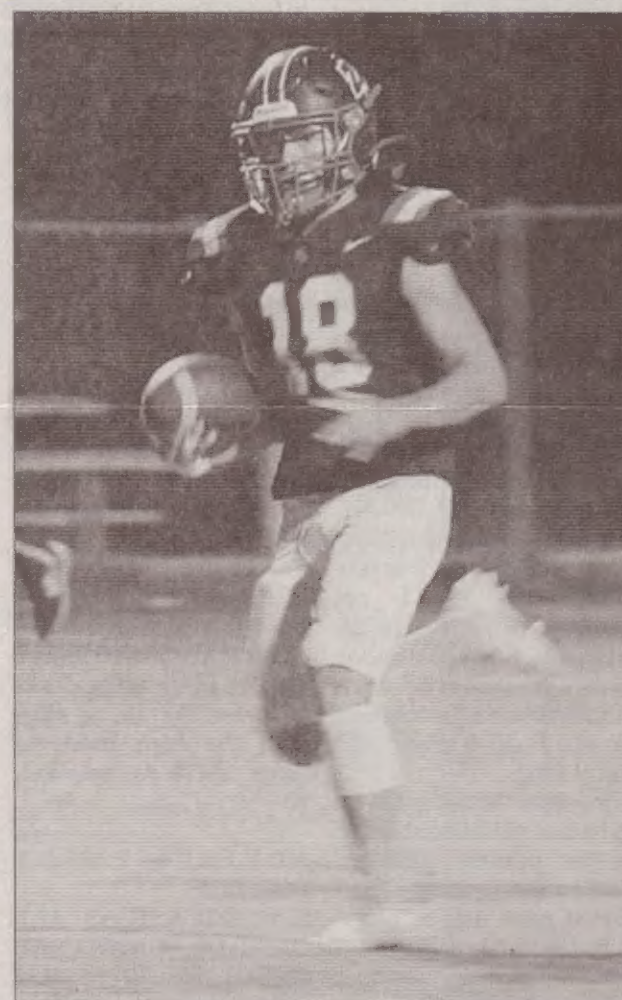

Saraland High School head football coach **Jeff Kelly** was announced earlier this year as the head coach for the Alabama team. Alabama won last year's game in Mississippi 26-17 last December to improve Alabama's record in the series to 26-11. The 38th game in the annual Classic will be played at Mobile's Hancock Whitney Stadium on Saturday, Dec. 14 at noon.

Henderson, who is committed to Auburn University, rushed for 199 yards on 27 carries in a 40-24 win over Florida to push his career totals to 9,935 yards to break the AHSAA all-time career rushing record (9,839 yards) previously held by Alexandria High School's Mac Campbell (1993-1997). Elba's star running back led the nation with 68 touchdowns scored last season and set the AHSAA single season rushing record with 3,523 yards on 225 carries — a 15.7 yards-per-carry average — and also set a state mark with 61 rushing touchdowns. This year he has rushed for 2,625 yards and 46 touchdowns in ten games. He has rushed for 178 touchdowns and has scored 188 touchdowns overall including pass receiving, punt and kickoff returns. His tandem yards total, which includes kick returns, passing, and receiving yards, is over 10,000 yards in 52 career games.

Carver-Montgomery's **Anthony Rogers**, who is committed to Alabama, was also selected as a running back on this team along with Gulf Shores' **Kolin Wilson**, who is committed to Mississippi State. Quarterbacks selected are Oxford's **Mason Mims**, who has guided the Yellow Jackets to an 8-0 record this season including a 21-10 win over defending Class 6A state champion Clay-Chalkville last week, and Saraland's **K.J. Lacey**, who has this year's Spartans sitting at 8-0 as well. Mims has committed to the University of Louisville and Lacey is committed to Texas. Both quarterbacks are smart, agile and have strong arms. Wide receiver **Derick Smith** of Southside-Selma has committed to Alabama. Carver-Montgomery wide receiver **Tristan Norman** has committed to Texas A&M, and Auburn's **Peyton Plott** has committed to Georgia Southern.

Among the defensive standouts on this year's All-Star squad is **Zion Grady**, a powerful 6-foot-5, 245-pound linebacker, and **Na'eem Offord** of Parker High School, a 6-1, 185-pound defensive back. Grady and Offord have committed to Ohio State. Defensive lineman **Jourdin Crawford** of Parker, linebacker **Jakaleb Faulk** of Highland Home and defensive back **Anquon Fegans** of Thompson have all committed to Auburn, while T.R. Miller linebacker **Myles Johnson** has committed to Florida, Parker defensive back **Timothy Merritt** and Central-Phenix City wide receiver **Daylyn Upshaw** have both committed to the University of Miami.

Kelly, who had an outstanding collegiate career as a quarterback at Southern Miss, was drafted in the seventh round by the Seattle Seahawks in 2002. He played in the 1996 Alabama-Mississippi Classic as a quarterback from Citronelle. He fired one TD pass in Alabama's 17-14 victory. He served as offensive coordinator in Alabama's win and now becomes the head coach in the game already sporting a 2-0 record in his two previous roles — and may well be the first person from Alabama to serve as a player, assistant coach, and head coach in the annual game.

Social Security announces 2.5 percent benefit increase for 2025

Social Security benefits and Supplemental Security Income (SSI) payments for more than 72.5 million Americans will increase 2.5 percent in 2025, the Social Security Administration announced recently.

On average, Social Security retirement benefits will increase by about \$50 per month starting in January.

Over the last decade the COLA increase has averaged about 2.6 percent. The COLA was 3.2 percent in 2024.

Nearly 68 million Social Security beneficiaries will see a 2.5 percent cost-of-living adjustment (COLA) beginning in January 2025. Increased payments to nearly 7.5 million people receiving SSI will begin on December 31, 2024. (Note: Some people receive both Social Security benefits and SSI).

"Social Security benefits and SSI payments will increase in 2025, helping tens of millions of people keep up with expenses

even as inflation has started to cool," said Martin O'Malley, Commissioner of Social Security.

Some other adjustments that take effect in January of each year are based on the increase in average wages. Based on that increase, the maximum amount of earnings subject to the Social Security tax (taxable maximum) is slated to increase to \$176,100 from \$168,600.

Security begins notifying people about their new benefit amount by mail starting in early December.

This year, for the first time, Social Security beneficiaries will receive a newly designed and improved COLA notice that makes it easier for customers to find the

information they need most. The simplified COLA notice is now only one page, uses plain and personalized language, and provides exact dates and dollar amounts of a person's new benefit amount and any deductions.

Individuals who have a personal my Social Security account can view their COLA notice online, which is secure, easy, and faster than receiving a letter in the mail. People can set up text or email alerts when there is a new message—such as their COLA notice—waiting for them in my Social Security.

People will need to have a personal my Social Security account by Nov. 20 to see their COLA notice online. To

get started, visit www.ssa.gov/myaccount.

Information about Medicare changes for 2025 will be available at www.medicare.gov. For Social Security beneficiaries enrolled in Medicare, the 2025 benefit amount will be available via my Social Security's Message Center starting in late November. Those who have not opted to receive messages online will receive their COLA notice by mail in December.

The Social Security Act provides for how the COLA is calculated. The Social Security Act ties the annual COLA to the increase in the Consumer Price Index for Urban Wage Earners and Clerical Workers

(CPI-W) as determined by the Department of Labor's Bureau of Labor Statistics.

Thank You for 59 Years of Serving Your Insurance Needs!

After 59 years of helping insure local row crop farmers and others, Gerald Boswell has decided to retire! Last Thursday, Oct. 24, he hosted his final BBQ dinner for customers and friends as the owner of Boswell Insurance in Elba. This is a tradition Gerald has done annually since 1982. Those in attendance noted that Gerald had always been a friend to row crop farmers and all his customers. Many said Gerald had always been one to go "above and beyond" for his customers as they wished him well in retirement.

Mr. Boswell has sold his Elba business to Josh Carnley, owner of Sanbuck Insurance.

Gerald Boswell addresses those in attendance for the 2024 Boswell Insurance BBQ.

What does the Bible say about... God's Grace?

Article written by Douglas Williams

"For the law was given through Moses, but grace and truth came through Jesus Christ" (John 1:17).

"But Noah found grace in the eyes of the Lord" (Genesis 6:8).

"For all have sinned and fall short of the glory of God, being justified freely by His grace through the redemption that is in Christ Jesus" (Romans 3:23-24).

"For by grace you have been saved through faith, and that not of yourselves; it is the gift of God, not of works, lest anyone should boast" (Ephesians 2:8-9).

"For the grace of God that brings salvation has appeared to all men" (Titus 2:11).

The word 'grace' occurs many times in the Old Testament primarily in the way it said of Noah and many others. But the above verses, and others, show the way that God's grace has been given to us providing salvation through Christ as the New Testament teaches.

The definition of grace shows what the Bible teaches about God's grace to us. Grace means that God has extended His favor, kindness, mercy, etc., to all mankind. In short, grace is God's unmerited favor to us. As Ephesians 2:8-9 points out that there is no way we have done any work to earn, merit, purchase, or deserve God's grace that we might boast of it. It helps me to understand God's grace in that God gave to us what we needed and not what we deserve. All good blessings come from God (James 1:17), both material and spiritual, and all are made possible by God's grace.

But the most important avenue of God's grace is the salvation He provided through Jesus Christ. Law does not exclude grace,

and at John 1:17 when the Bible refers to the Law of Moses in contrast to grace in Christ, this does not mean that there is no law for us to obey. Because we must accept what the entire Bible says. Romans 8:2 says, "For the law of the Spirit of life in Christ Jesus has made me free from the law of sin and death."

The commandments of the Lord in the New Testament are the laws we are to obey today. In obeying these laws we neither earn nor merit salvation, but show our faith in God who saves us. The Bible teaches that all sin, and to be forgiven we must obey God by our faith in Jesus as the Son of God, repentance, confession and baptism (John 8:24; Luke 13:3; Matthew 10:32-33; Mark 16:16). When we thus obey God, God forgives us and add us to His church. By our faithful obedience as a Christian we live for Jesus that we might go to heaven to live with Jesus for all eternity (2 Timothy 4:6-8; Revelation 2:10).

BETTY COON HONORED WITH 90TH BIRTHDAY CELEBRATION... Family and friends gathered July 10, 2024 to honor Betty Coon with a 90th birthday celebration hosted by her daughters, Debra Rivera, Lesa Neenan and Rita Chapman. This wonderful milestone marks not only nine decades of life but also a legacy of kindness, wisdom and strength. Betty was born and raised in Brantley, Ala. and lived all of her adult life in Elba before moving to Enterprise six years ago. She cherishes the memory of becoming a young mother and considers raising her four daughters as her most valued accomplishment. She has always been a devoted mom and loves being a grandmother and great-grandmother. She has persevered through many hardships in life and continued to remain positive and strong through all. "I've been blessed with a wonderful family and many friends during my life," Betty says. "Reaching 90 is a gift and I'm grateful for every moment. Always keep your faith in God and stay focused on Him to guide your path."

Important Choices

Martha Van Sloten thought she had recovered from cancer surgery but two years later she was dying. Lisa, her nineteen-year-old daughter dropped out of college to help care for her sisters, who were only eight and four years old. Shortly before Martha died her husband, Richard began to have seizures. He was found to have a very aggressive brain tumor. Knowing what the future held, the couple began to plan for their children's future. Their medical bills were increasing. They had only limited life insurance, and they wanted to find a way to keep the family in tact. Few choices are more momentous than that last one. One other extremely significant choice was this one: how would they respond to God in such a crisis? Richard's response was this: I thank God for his blessings. I get to remind my little girls that I love them. I've tried to conduct myself in a way that will make

my daughters proud of me. Joshua held out to Israel a life and death choice: spiritual life or spiritual death. It is the same choice that all of us get; the circumstances of our lives are all that differ. Do we choose to face life's challenges in a way that makes others proud of us? Do we choose to respond to God in a way brings glory to him?
